

REMARKS

The amendments insert Sequence ID Numbers and the sequence listing into the specification of the patent application. These amendments do not add new matter into the application. Accordingly, Applicants respectfully request entry of this amendment in its entirety.

The paper copy of the Sequence Listing in this application, is identical to the computer readable copy of the Sequence Listing filed in parent application Serial No. 09/943,382, on February 13, 2003. In accordance with 37 CFR 1.821(e), please use the only computer readable form filed in that application as the computer readable form for the instant application. It is understood that the Patent and Trademark Office will make the necessary change(s) in application number and filing date for the instant application. A paper copy of the Sequence Listing and the Statement to Support filed in application Serial No. 09/943,382, on February 13, 2003, is included herewith.

Respectfully submitted,
